

Gail Cottrill

Director

Gail Cottrill is Managing Director for a family owned manufacturer of custom crafted shutters and louvres based here on the Central Coast for over 20 years. She has worked in all aspects of the business from working on machines in production to onsite designing consultations with builders and architects to coordinating areas of marketing. Working and raising a family here makes Gail aware and focused on the important role the Central Coast as a region has to play in the broader world.
