

Steven Hyde

Chairman

Steven Hyde is the Managing Director of TrendPac, a major contract manufacturing & family-owned operation located at Berkeley Vale on the Central Coast. TrendPac specialises in the production of plastic packaging and the filling of non-food consumer products mainly in the personal care and household cleaning segments. Steven joined the company in 1989 as their Marketing and Sales Manager before taking on his current role in 1993. He believes it is essential within the Australian and local Central Coast economies to have a strong manufacturing industry to not only provide local employment but also to maximise the multiplier benefits across other industries.
