

Upcoming event - 10th August 2023

On the 10th August 2023 our first supply chain and logistics forum for this year was held in conjunction with our sponsor Rarekind at the Hawkesbury Brewing/abc filling facility at Lisarow.

Our MC Mike Goodman, CCIC Associate Director and Director of Jump Technology, introduced Marshall Burrows, National Sales Manager at Hawkesbury Brewing and Adam Neale, Operations Director at ABC filling who spoke about the challenges they have faced and the valuable lessons learned during their relocation to the region.

They provided a detailed look at their business covering their customers and operations, supply chain technologies and some of their future projects. This included the continued growth of their export business and future plans for the current site. This was followed up with a site tour.

A great networking and knowledge exchange event with around 38 people participating. Thanks to Marshall, Adam, Mike and Steve Rose from Rarekind in helping put this event together.
