

Steven Hyde

Chairman

Steven Hyde is the Executive Chairman of TrendPac, a major contract manufacturing & family-owned operation located at Berkeley Vale on the Central Coast. TrendPac specialises in the design, formulation and production of plastic packaging and non-food consumer products mainly in the personal care and household cleaning segments. Steven joined the company in 1989 as their Marketing and Sales Manager, became their Managing Director in 1983 and took on the current role in 2019. He believes it is essential within the Australian and local Central Coast economies to have a strong manufacturing industry to not only provide local employment but to maximise the multiplier benefits across other industries.
